November 16, 1982.

Belgrade, Palilula

Category B

Cirriculum Vitae

Goran Cvijanović

BUSINESS PROFILE

Self-taught programmer, who coded his first lines back in high school and from that point onward fell love with programming, i.e., code writing for solving simple and complex tasks. For years I have been actively actively programming and creating diverse, useful applications.

WORK EXPERIENCE

2019 - Current | Preparation of accounting and other documents, using Libre Office Calc/Writer with my custom functions to speed up work and JavaFX applicaton for sending emails (javax.mail).
Freelance

Past - 2019 | Jobs that had no connection with programming or computers. I dedicated most of my free time to programming.
Smederevo, Beograd

EDUCATION

2000 - 2002 | Faculty of Mathematics, *University of Belgrade*

1996 - 2000 | IT Technician, *Tehcnical school, Smederevo*

2012 - 2013 | Software developer, *IT Academy, Belgrade*
